Most likely the best eclair I've had in Dallas.
Loved the rest of the selection as well.

We ordered a number 100 birthday cake for a milestone celebration. The cake was beautiful but was absolutely tasteless. It was a coconut filling but honestly it tasted like a bland cracker. The macaroons on the cake were soft and very … More

Good solid French style pastry shop with some items more successful than others. The chocolate tart and chocolate eclair are really good and not too sweet. On the other hand the pistachio eclair is very sweet and heavy. The coffee eclair is … More

Framboise Cake was Phenomenal! Great service, the cake was moist, flavor of the buttercream was just right and not overpowering with the raspberry & the raspberry jam tied it together perfectly. We will definitely be ordering again!

I placed my order via Uber eats and went to pick it up. I got the fruit tart, chocolate mousse and Framboise cakes and they were all pretty good. The store associate, Megan, however made the experience under whelming. She was not friendly and did not ask to assist when I went in. Otherwise, cute store with lots of options.

We're so sorry for your experience! That is definitely not our norm. Our staff doesn't know if it's an UberEATS driver or the customer and the drivers come in and go without much conversation. We're sorry we didn't know or acknowledge you in a better way. We hope you enjoyed your pastries all the same!

Went in for the first time today and got 2 macaroons and the strawberry-chocolate dipped croissant and everything was delicious!!! Macaroons were superb and satisfied my craving. The croissant was by far the best croissant I've had in Dallas - the cream filling was amazing. 10/10 would return to try more. Thank you Bisous Bisous!

They were helpful and so kind! A little Christmas spirit is incredibly refreshing, especially now! There were windows surrounding the shop so you can watch them baking! So fun! I will definitely stop by every time I'm in Dallas (:
